## MISSION

To bring healing and tranquility through deeply layered, nature-inspired soundscapes, blending the raw energy of forest psytrance with soothing organic textures.

## ABOUT

DristeeKon is an organic forest psytrance project founded by Manish Kamath. Rooted in the healing power of nature, DristeeKon weaves immersive soundscapes that mimic the rhythms of the natural world. Inspired by the organic symphony of nature's elements, this project seeks to create a journey of sonic healing and transformation. His tracks has already taken over some big festivals like ection gathering France, Holland Vvr Night, Boom Festival 2023 and Many more
